Dear School District & Community--

Cambridge Green Schools Initiative/CGSI weekly updates below.

Have a green idea? Want to learn more about our recent energy projects?

...Visit our district sustainability website @ <http://www3.cpsd.us/sustainability/Sustainability>.

- **Products: "FreeCycle @ Work."** Post items you no longer want; claim free stuff: <http://quickbase.intuit.com/freecycle>.
- **Food: "Compostable Foodware at CRLS."** We have introduced compostable cafeteria foodware at the high school this fall, and we continue to research compostable and bioware options for food and cafeteria products to expand the program. <http://www3.cpsd.us/sustainability/food>.
- **Energy: "Saving Energy in our Schools."** Learn more about energy-efficiency practices and recent projects out of our Office for Sustainability: <http://www3.cpsd.us/sustainability/energy>.
- **Waste: "Opt out of Phone-book."** Click here: <https://cambridge.catalogchoice.org>. Please share this with your school families. It's free, and you'll save trees! You can also opt out of junk mail from more than 4,000 companies.
- **Greenspace: "Climate-Change Lecture."** An Evening with Paul Kirshen: Climate's Long-term Impacts on Metro Boston: <http://tinyurl.com/cllox7l>.

-Kristen
