

Monday, 9.19.11

Dear Teachers, Staff, Students, Principals, Custodians, and Administration--

Hello all, see below for sustainability updates this week. Best,

Kristen

- **Tip of the Week:** Put your computer to sleep when not in use, and turn it off when you go home. **Why?** *Because this action saves energy. Turning it off saves even MORE energy than putting it to sleep.*
- **CPSD Sustainability Website:** Click the link to stay in the loop on the Cambridge Green Schools Initiative. <http://www3.cpsd.us/sustainability/Sustainability>
- **Walk / Ride Days (Green Streets Initiative):** Next Walk/Ride Days is Friday, September 30th. *Bike, walk, or use public transportation.* <http://www.gogreenstreets.org/>
- **SingleStream Recycling:** Place ALL recyclables (paper, cans, bottles, etc.) together in the blue bins. No need to separate items! Cambridge is single-stream recycling. *For a full list, see attached PDF.*
- **Paper Waste Reduction:** Would you like to opt out of receiving junk mail at school or home? *To get started, go to <http://cambridge.catalogchoice.org>*

Thank You.
