Dear Principals, Custodians, Teachers, Staff, Students, and Administration--

Hello, I hope you had a good weekend and vacation. Below, please find our green **Tip of the Week**, a **CitySprouts Update**, **Walk Ride Days Reminder**, a **Student Resource**, and a **Climate Change Week Update**.

Thanks for taking the time to read.

- Tip of the Week: *Turn off your computer when you leave for the day.* **Why?** Because completely shutting down saves the most energy. Do not waste energy by leaving your computer on or in sleep mode overnight.
- CitySprouts Update: *CitySprouts Garden Coordinators are now back for the season in all of the schools*, and are doing garden work days on Thursdays.
- If anyone is **interested in helping out in the gardens on Thursdays**, please contact Kim at kgoldstein@citysprouts.org. Also, the **CitySprouts Summer Youth Internship applications** are now available in school libraries. The deadline for applications is **May 6th**. The Summer Program runs for 2 sessions as follows: Session I (June 27th through July 21st) King/Amigos, Graham and Parks, Peabody, Fletcher-Maynard, Morse // Session II (July 25th through August 18th) King Open, Baldwin, Haggerty, Tobin, Cambridgeport, Kennedy-Longfellow.

- Student Resource: Check out the EPA's new interactive, education website called, "A Student's Guide to Global Climate Change."
- Website: <http://www.epa.gov/climatechange/students/>
- Climate Change Week: In May, Climate Change Week kicks off on May 13th. If you are a teacher, student, or school doing any projects, curriculum, or activities related to climate change, let us know! Simply reply to this e-mail with your name and a brief description of what you're doing, and we will be sure to celebrate and share it with the community.

Have a great week. -**Kristen**
