

THE YOUNG PEOPLE'S PROJECT AND
CAMBRIDGE PUBLIC SCHOOLS BRING YOU

THE
APRIL
MATH IMMERSION
PROGRAM

for students in Grade 6-8

Putnam Avenue Upper School

Tues, April 19th to Thurs, April 21st

10:30a - 2:30p

Friday, April 22nd

10:30a - 12:30p

This is a free in-person program with lunch included.
Student transportation is not provided.

In a four-day experience, we hope to challenge what you may already know about math and to apply it by using the formation of games. YPP and our fearless math literacy workers hope to make this event unforgettable. Through competition, team building activities and games, our overall goal is to educate you all in an academic, yet stimulating process. The final day culminates with a math festival.
