# GRADE 8 MATH

COMPREHENSIVE ONLINE REVIEW EXPERIENCE

# CORE PROGRAM

**APRIL BREAK 2022: TUESDAY TO FRIDAY**

The Grade 8 program is free and available for all Grade 8 CPS students. Students will engage in activities that will help them continue to develop their mathematical skills through online asynchronous modules and synchronous sessions as determined by a facilitating teacher. Students can determine their work time and their pace as modules review content and skills related to the first four units of the Grade 8 scope and sequence.
