10:30 AM-2:30 PM <i>(no more than 60 min in window above)</i>	Block 1	Block 2	Office Hours and Support	Block 3	Block 4

The CRLS Distance Learning Schedule provides a structure to continuing learning for all high school students while also adhering to guidance from the MA Department of Elementary and Secondary Education. The schedule has been designed to provide students and staff with both consistency and flexibility in this unpredictable time. Please note the following features of the schedule-

- Students will have access to virtual instruction in all of their classes without conflicts.
- There are designated time blocks available daily for students to connect with staff for academic support.
- Time is devoted everyday to focus on social emotional support for students. CM groups will meet virtually twice a week, and staff will conduct meetings with identified students

and groups of students on Tuesdays. On Wednesdays members of the Wellness department will share resources and ideas for students to promote student health and well-being. Thursdays Principal Smith will share a weekly message and activity with the CRLS community.

Students and families should use the blocks of time in the CRLS Distance Schedule to design a daily academic routine that works best for their current experience. The sample student schedule included in Dr. Salim's Distance Learning & Support Plan- For Families is just one possible way to help organize your child's school day within the designated times in the CRLS Distance Learning Schedule.

Please note, this schedule starts on Monday, April 13th, the first day of 4th Quarter. Please reach out to your Learning Community team if you have questions regarding the CRLS Distance Learning Schedule schedule.

Sincerely,

Principal Smith
