## FALL 2020 Informational Sheet

Due to COVID-19 the Fall 2020 CRLS Athletics Season will look much different, as some Fall Sports have been moved due to State Regulations. We realize that we continue to live in an uncertain and emotional time. Although students will begin the school remotely, we believe that Interscholastic Athletics can play a vital role in re-engaging our students as we seek to get back to school and to some sense of normalcy. A functioning athletic program will aid in rebuilding the interpersonal connections that our student athletes enjoy. It cannot be overstated enough that Interscholastic Athletics can foster profound and positive social and emotional health outcomes in our community.
