September 2017

Dear CRLS Families,

On behalf of the Board and the Friends of Cambridge Rindge & Latin School, I'd like to welcome you to or back to CRLS and introduce you to our non-profit association – currently beginning our 11th year! – with a summary of our programs:

**Student Travel Fellowships** make horizon-expanding journeys an affordable reality for students participating in school-authorized group trips. Experiences in community service, culture, language, ecology, art, history, and international relations often influence students' aspirations. Fellows have traveled to destinations including Peru, Cuba, the Dominican Republic, Italy, Spain, Turkey, and Tanzania. *Trips to Ecuador & the Galapagos Islands, Ireland, and Costa Rica are being planned for 2018.*

**Faculty Innovation Grants** provide funds for teachers, club advisors, counselors, librarians, and administrators to enrich curriculum, enhance resources, expand services, and provide students with creative learning experiences. To date, 172 staff members have received grants of up to \$1,000 each for projects and improvements in every department of CRLS and RTSA.

**Scholarships** are awarded to committed, deserving members of each year's graduating class. Including 32 scholarships in 2017, FOCRLS has presented an approximate total of \$125,000 to 115 grads. Each year we partner with the Cambridge business community to award \$10,000 in scholarships to students engaged in science, technology, engineering, arts, and mathematics.

**Unsung Heroes Awards** are presented to students whose character, citizenship, academic progress, and/or leadership have impressed teachers, deans, and counselors, who make the selections for this special recognition. Each school term, 16 students (one from each grade/Learning Community) are honored. Since 2008, certificates and Falcon watches have been presented to a total of 512 Heroes.

**Faculty Distinction Awards** give seniors the opportunity to nominate four teachers and staff members who have made significant contributions to their learning and personal growth. Since 2007, a total of 44 teachers and staff members have been honored.

**Find out how we make our programs possible.** Please join us for one (or both) of the school year kick-off meetings on **Thursday, September 14<sup>th</sup>** and **Wednesday, September 27<sup>th</sup>** to learn how you can help FOCRLS support transformative opportunities to CRLS students, grads, and faculty.
